### WHAT IS THE CLINE GRANT LOVEATHON?

Cline teachers have submitted amazing grants this year that have immediate and significant impacts on the classrooms they were written for. This campaign is intended to create awareness, a better understanding of grants and to offer a fun, competitive way for students to get involved with the grants that directly effect their classrooms. Our goal is to show that by coming together with small actions, we can contribute a lot of love to Cline! All funds will be used to fulfill Cline Grants.
